PREFACE

The Union Mountainbike Club Koppl has been welcoming its participants, spectators and sponsors to its mountain bike races since 1998. In 2023 we want to organize an unforgettable race weekend again. For the first time on Saturday, September 23rd, 2023 we will host a UCI race for juniors (part of the [Mountainbike Liga Austria](#)) and elite women/men ([UCI](#)) in addition to the [Austria Youngsters Cup](#) organized by the Austrian Cycling Association ([ÖRV](#)). In the evening, from 5:00 p.m., we'll have a party ([PDF](#)) including the (overall) award ceremony. The event takes place at the bike park near the technical assistance zone (TAZ). Keep the evening and night free and let us surprise you with what we have planned for our 25th anniversary! On Sunday, September 24th, 2023 we welcome our friends from the Bavarian Cycling Association ([BRV](#)) with the [Pölzcup](#) racing series and the Salzburg State Cycling Association ([LRV SBG](#)) with the [Junior Bike Cup Salzburg](#).

Further information should make your race preparations easier. These include information on **how to get here and the venue** ([PDF](#)) as well as recommendations for **accommodation** ([PDF](#)). The **program** of the event ([Saturday](#)) will then follow on site after the **bib number delivery** ([PDF](#)). The **Technical Guide** summarizes all the necessary information for [Saturday](#). The races in the individual race categories and **race tracks** ([Saturday](#)) can be followed via **live timing** ([Saturday](#)) on the Internet. The **results** are available online on [Saturday](#) immediately after verification by the responsible race steward. During the entire program we will provide you with food and drinks in the clubhouse ([PDF](#)). For those who want to stay a little longer on site before and/or after the race, shopping facilities and other information related to the race are also included in the FAQ ([PDF](#)).

As part of the sustainable use of environmental resources, it is important to us at the Union Mountainbike Club Koppl to subordinate the upcoming Nockstein Trophy to the main criteria of a "green event" as far as possible. In a modern understanding, sustainability includes the harmony of people, nature, and economy. To avoid mountains of rubbish and traffic avalanches, we (particularly spectators) refer to the use of environmentally friendly means of travel and the formation of carpools.

The Union Mountainbike Club Koppl, on behalf of the board and its entire team, wishes everyone good preparation and a stress-free journey, as well as an injury-free and successful race!

1 ENROLEMENT TO THE RACE

After a hopefully carefree journey to one of the available parking spaces, you can register. This is where the participants are registered, the license is checked (Saturday) and the entry fees are paid. Entry fees are only accepted in cash. Please have the money ready. There is NO option to pay by card! Furthermore, the starters will be given the handlebar number (including cable ties, Figure 1), the back number (including four safety pins) and the transponder (including cable ties) to attach to the right-hand side of the fork.

2 OFFICE IN THE CLUB HOUSE

From the parking lot, please follow the signs to the clubhouse (Figure 2, Figure 3). When registering in Figure 5, please show the license without being asked and state your name and age group. After registering, you can refresh yourself with a coffee, a roll, or a cake (Figure 6).

3 SPONSORS

All personal engagement of the management board, the members of the club and other volunteers would not be as sufficient without the contribution of our sponsors. For a successful organisation of the Nockstein Trophy, we very much value all the material and financial support from many local companies! Without their support a satisfactory realisation of the Nockstein Trophy would not be possible. Thus, we would like to acknowledge their contribution and would like to thank them for their donation and trust as well as their excellent partnership!
